FALL BREEZE & AUTUMN LEAVES

Fall is in the air at T.H.E. Center

Fall session is in full swing here at the ranch! We are so excited to see so many returning student faces, and to welcome all the new ones! T.H.E. Center has some exciting things in the works, so make sure to follow us on Facebook and Instagram to stay in the know. Not a student? Schedule a tour to meet our horses and learn about our program!

ON THE COVER: Ashley

Ashley has been riding at T.H.E. Center since 2010, when she was just a second grader. Now, ten years later, she has blossomed into a kind, gentle-hearted young lady who always looks forward to her weekly riding classes with Torino, her Equine Therapist (horse). With the help of her Therapeutic Horseback Riding lessons, Ashley has improved her self-confidence, communication skills, posture, and so much more. Ashley's mom say "with Ashley's condition, there are few people in her life that she can comfortably communicate with, but at T.H.E. Center she is treated like family." We look forward to seeing the many amazing things we know Ashley will accomplish!

HORSES FOR HEROES KICK-OFF BBQ

Thank you Stater Bros. Charities!

On October 7th, we invited Veterans and their families from across our community to join us for our Horses for Heroes Kick-Off BBQ! At the event, Veterans were able to enjoy some BBQ, meet our horses and instructors, and learn all about our program! Horses for Heroes is designed to help Veterans struggling with the psychological and physical effects from their time in service through Equine-Assisted therapy and horseback riding. If you or a loved one would benefit from this program, please email us at info@thecenterranch.org for more information on how you can register for these free services. Our Horses for Heroes program would not be possible without the support and generosity of Stater Bros. Charities.

FEATURED HORSE: *Liberty*

Liberty is a 13-year-old quarter horse. She is a sweet and gentle mare (girl). Though she can be timid when you first meet her, once she gets to know you she loves to "talk" to you. She is best friends with Joey, another one of our horses, or Equine Therapist as we call them. Her original name was Miss Grey, due to her coloring, which is flea-bitten grey. However, because of her majesty stature and poise, we decided to rename her Liberty. And she is definitely living up to her name, as Liberty is the main Equine Therapist of our Horses for Heroes program. In addition to helping individuals with disabilities and special needs receive therapeutic horseback riding lessons, Liberty is now also helping Veterans overcome their physical and psychological struggles.

Want to meet Liberty? Schedule a tour by calling (951) 658-7790 or make a donation in her name to help with her care.

Summer Camp 2018

Our 2018 Summer Horsemanship camp was a big success! We had over 100 campers; they learned all about the basics of horseback riding, grooming, tacking, and, of course, enjoyed an array of games and crafts! We were so excited to see how much everyone learned and the many friendships that they formed! Follow us on Facebook for info on our upcoming camps!
